Summary

Motivated and tech-driven B.Tech Computer Science and Engineering student (Batch 2024–2028) at KIPM College of Engineering & Technology, affiliated with AKTU, Lucknow. Passionate about leveraging technology for innovation, with strong interests in Generative AI, Web Development, Blockchain, and Graphic Design. Experienced in hackathons, collaborative projects, and tech communities, focusing on solving real-world problems through creativity and teamwork. Continuously learning new tools and technologies to enhance technical proficiency. Eager to contribute to impactful projects and gain practical industry experience while fostering innovation and growth.

Education

2024 - 2028

KIPM College of Engineering & Technology, Gorakhpur

Graduation • B.Tech/BE (Bachelor Of Technology/Bachelor Of Engineering) • Computer Science And Engineering

Currently pursuing my B.Tech in Computer Science and Engineering at KIPM College of Engineering & Technology, Gorakhpur. My studies, beginning in 2024 and anticipated completion in 2028, are focused on a comprehensive understanding of computer science principles and their practical applications. I am dedicated to developing a strong foundation in this field.
